JUST MISSED IT

Mr. John T. Moore and daughter, Miss Marguerite, who went to visit Mrs. Moore at the sanitarium in Baldwin county, Ga., where she has been staying for the last few months, returned last night, bringing Mrs. Moore with them. Mrs. Moore is feeling much better, and brought with her a skilled nurse, who will help her to entire recovery. The sanitarium is not far from the Georgia prison farm, where Frank was confined, and Mr. Moore and a friend passed by the prison the night Frank was lynched. It was about 9:30 when they passed and the place was all lit up, which was unusual at that time. Mr. Moore says he thinks the raiding party was at the farm at the time, tho the dispatches say it arrived later. He and his friend however, knew nothing of the affair till next morning.

Ocala lost to Belleview in the ball game at Hunter Park yesterday. Belleview has a good team, Davis doing some fancy pitching and puzzling the Ocala boys by his throws. Ocala, however, was not up to its usual form. Next week, Ocala will play Palatka.

Mayor A. C. White of Citra, is in the city today. He reports everything very quiet in our neighboring city, and says he has not held a term of court since last January, indicating a really quiet state of affairs.

Mr. Chandler Yonge and family, of Plymouth, are visiting friends at Anthony this week. They will also make a visit to Williston before returning to their Orange county home next week. Mr. Yonge is spending the day in Ocala today. He has a splendid orange grove at Plymouth and says that the growers are rapidly seeing the benefits of the Florida Citrus Exchange as a means of marketing their fruit.

Mr. F. Acker has opened a seafood emporium in the Hogan bar and to get himself known to those who are fond of shrimp, crabs and other sea foods yesterday afternoon served them free. He has arranged to get his stock fresh every day direct from the seaside.

Mrs. W. S. Turner of Micanopy will be here tomorrow for a short visit with her sister, Mrs. W. D. Tompkins.

Postmaster Grantham of Sparr was among the morning business callers in the city.

Col. Jasper N. Willis of Williston was in town yesterday. Despite his Bloxham county heresy, Col. Willis has many friends in Ocala. He is not responsible for the yarn that Ocala is trying to bond Marion county for \$1,000,000 for an 11-mile canal to Silver Springs. Jasper has better sense than to tell such a silly lie.

DESPONDENCY DUE TO INDIGESTION

"About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and despondent, I began taking Chamberlain's Tablets," writes Mrs. Geo. Hon. Macegon, N. Y. "This medicine proved to be the very thing I needed, as one day's treatment relieved me greatly. I used two bottles of Chamberlain's Tablets and they rid me of this trouble." Obtainable everywhere.

Pheasants and Turkeys.

The fame of the pheasant in England and western Europe rests upon its qualities as a game fowl, and the species known there are not remarkable for beauty. Pheasants are not indigenous to America, and here the ruffed grouse is often mistakenly called a pheasant. Our native turkeys are closely related to the pheasant family.

COTTON PLANT

Cotton Plant, Aug. 18.—We are having some very warm weather and not much rain to make it cooler. Can't you do something for us, Mr. Weather Man, to make the days more pleasant?

Mrs. Woodward and Mrs. W. E. Veal spent last Wednesday with Mrs. D. N. Barco on Sunny Slope.

The camping party who spent several days on Lake Sixteen, returned Wednesday and reported a jolly time, but no fish. The lake is an ideal place for a camp and good bathing.

Misses Pearl and Alma Sykes spent several days here last week, guests of Misses Carrie Barco and Helen Veal.

Misses Mary Callison and May Sykes were guests of Mrs. A. W. Woodward Wednesday night.

Rev. J. D. Major is holding revival services at Homeland school house and having good and attentive congregations.

Mr. D. M. Barco and granddaughter, Miss Helen Veal, were visitors to the Brick City Saturday.

Mr. and Mrs. M. L. Reynolds and children of Ocala motored out Saturday afternoon and spent over Sunday with Mr. and Mrs. C. R. Veal.

Miss Elmer Sykes was the guest of Miss Rachel Veal several days last week.

Miss Pearl Sykes of Leroy left Sunday for Asheville, N. C., where she goes to resume her school work. Her friends here regret very much to see her leave.

Mr. A. S. Harroun of Croom came up Saturday and spent Sunday with his parents here, returning Sunday afternoon accompanied by Master James Woodward and Miss Helen Veal, who will spend several days as house guests of Master L. C. Bell Jr. and Miss Margaret Bell.

The editor in last Saturday's Star in reference to the proposed Bloxham county, said that Geiger, Flemington, Fairfield and Blitchton will give big majorities against division, but he said nothing about Cotton Plant. Now it is a safe bet that Cotton Plant will come nearer giving a solid vote against county division than any district in the proposed Bloxham county. (We said Cotton Plant was solid in previous issues.—Editor.)

I have used it myself and found it gave me more relief than anything else I have ever tried for the same purpose." Obtainable everywhere.

is a stomach, liver and kidney tonic—by assisting the stomach to assimilate, the liver to filter, the kidneys to act—the poisons are removed, the red blood corpuscles are increased and one feels light, fresh and active instead of logy, dull and heavy. The "Discovery" stimulates the stomach, increases action of heart and arteries and is a most satisfactory alternative in blood-taint of any character. The refreshing influence of this extract of native medicinal plants has been favorably known for over forty years. Everywhere some neighbor can tell you of the good it has done.
